

Symposium on
Advanced Technologies
and Materials

Materials Science
Conference on Advanced
Functional Materials

CERTIFICATE

OF PARTICIPATION IN THE JOINT CONFERENCE
OF „ADVANCED TECHNOLOGIES AND MATERIALS”
AND „MATERIALS SCIENCE CONFERENCE
ON ADVANCED FUNCTIONAL MATERIALS”
(ATAM & MASCA 2024)

expresses the greatest appreciations to:

Mark Rümmeli, Prof.

for attendance and giving a plenary lecture talk entitled
„Toward precision manufacturing with electron microscopes”
at the conference organized by Łukasiewicz – PORT Polish Center
for Technology Development and Materials Engineering Committee
of the Wrocław Branch of the Polish Academy of Sciences.

Alicja Bachmatiuk, Ph.D. D.Sc.

Director of the Institute,
Łukasiewicz – PORT

Joanna Cybińska, Ph.D. D.Sc.

Director of Materials Science
& Engineering Center,
Łukasiewicz – PORT

Jarosław Myśliwiec, Prof.

Chairman of Materials
Engineering Committee at the
Wrocław branch of the Polish
Academy of Sciences

Łukasiewicz
