Confirmation of attendance of the invited speaker

On behalf of the organizing committee of the NANOCON 2023 conference, we would like to confirm that Prof. Kamila Kočí attended the traditional event held on 18-20 October 2023 at the Orea Congress Hotel Brno, Czech Republic, EU, as an invited speaker.

Her invited lecture titled "**Photocatalytic Reduction of CO₂**" was presented in Sessiom B – Industrial and Environmental applications of Nanomaterials.

With Best Regards

The logo for Tanger Ltd. features a stylized mountain range with a sun or moon above it, all enclosed within a horizontal line. Below the graphic, the word "tanger" is written in a bold, lowercase, sans-serif font.
