

**Paulina Gwózdź**

**Sending Institution:** AGH Krakow, Poland

**Position:** PhD student

**Project Name:**  *$Sr_{1-x}Ca_xTi_{1-z}Fe_zO_3$  base materials as a potential catalyst in environmental catalysis*

**Project Duration:** 2 weeks

**Used Infrastructure:** Experimental unit for testing catalysts in microscale, FTIR, Experimental unit for catalytic oxidation and VOC adsorption

**Expected Output:** Publication
